Fall 2014

Beloved Partners:

With thanksgiving the prophet Isaiah declared—

"A little child shall lead them!" (Isa. 11:6)

We rejoice to report the **"open door"** new season of Tele-Missions' Christian Child Care Center in depressed Florida is steadily **expanding** with more and more needy children and parents coming to **The Shepherd's Little Family Christian Center** in Saint Cloud, FL. Our Center is not only providing tender-loving care daily to the children, but also we are reaching out to the parents by giving them clothing donated along with counseling and prayerful support. Remember, **your hands** are **God's hands** lifting-up precious children and needy parents to "new life in Christ" in these very difficult days. Think of it, here's America's future! This is what makes **"The Shepherd's Little Family Christian Center"** so vital and significant as we give new hope in Christ's love for precious lives!

Now, it's time for all of us to sing and to praise our Lord...

**"Thank you Jesus
for all you have done.
Thank you Jesus
for victories won
For Thy love and tender-care
For Thy word and answered prayer
Thank you Lord!"**

All the children and the parent(s) join our little **"Scandia Songbird"** Sophia and the dedicated Staff of Tele-Missions' Christian Center in a big **THANK YOU** for helping us serve these many precious lives with **God's Love!**

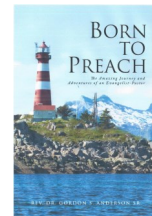

We join the great Apostle Paul in unison - **"Thanks be unto God who giveth us the victory!"** With our love and prayers across the miles... **THANKS AGAIN!**

Together in the Master's Harvest,

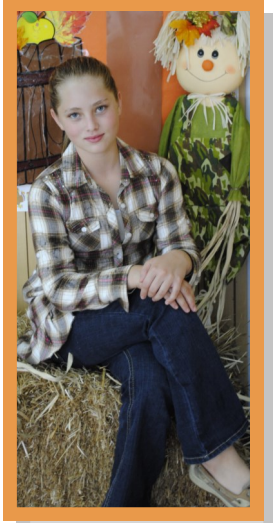

Dr. Gordon S. Anderson, Jr.

Sophia Anderson

The Shepherd’s Little Family Child Care Center is still here and growing... a place where **“Love is Shared”!** As believers we know our **“Shepherd”** majors in restoring hope. Personally, that restoration of hope has come to me through my daughter Sophia. Watching her as she tirelessly continues working, cleaning and painting to help me, her dad, with the ongoing responsibilities of the Child Care Center. This summer is was a joy watching Sophia working right alongside the Christian teachers establishing this childcare ministry.

I am very proud of Sophia as she has a passion to serve Christ through teaching, singing and working after school and on weekends. She is very much loved by children and parents. Her enthusiasm and spirit of dedication has helped continued to bless this center. My hope for the future is this Child Care Center will reach young and old alike.

Sophia joins me along with the staff asking for your prayers and support to keep our doors open! So continue partnering with us by helping these precious needy lives with your prayerful support... St. John states: **“I have no greater joy than to hear that my children walk in truth.”** Reaching this new generation for Christ is the greatest joy for all of us as we join together caring and sharing in this season.

Furthermore, **another open door remains** for TMI the continuous outreach of the Gospel through our website a Global Outreach broadcasting 24/7 worldwide via internet— www.telemissions.org. Yes, the **“Lord of Harvest”** has **opened for us these doors of service which no man can shut!** Again, it is evident that **“YOU”** are God’s hands working with the slim fingers of this global outreach reaching multitudes for Christ Jesus our Lord! God surely has brought **our lives together** for His eternal values in view...
